

Dear Parents,

Namaste!

The relationship between parental engagement and the success of Learners has been a well-established and proven topic over the past few decades. To achieve the goals of the education system, in an ever-changing world, the parent-school relationship becomes a key factor. We are now in an era that strongly advocates the development of Learners in all dimensions, such as cognitive, social, emotional, and spiritual. Such holistic development requires a holistic approach and re-conceptualisation, where parents play a pivotal role alongside the school in shaping an individual's development and learning process.

**The VIPC (Vega Involved Parent Committee)** is a group of parents representing various cohorts, starting from Pre-Nursery onwards, who have volunteered to work closely with us and serve as a communication channel between parents, Learning Leaders, administrators, and the school community. They provide a platform for sharing information, discussing concerns, and fostering open dialogue between the two parties. We would like to introduce the VIPC members for the academic session 2025-26:

**Grade V (Zahrah Lyra)** - Mr Vikas Lokannavar

**Grade V (Zahrah Itri)** - Ms Shivani Kanodia

**Grade IV (Izar Haley)** - Mr Rahul Garg

**Grade III (Esther Ster)** - Ms Shveta Berry

**Grade III (Esther Maris)** - Ms Savita Bhalla

**Grade II (Elanor Hoshi)** - Ms Sweta Agarwal

**Grade I (Estelle Dara)** - Mr Saurabh Jain

**Grade I (Estelle Seren)** - Dr Malika Bansal

**Grade UKG (Spica)** - Ms Akansha Sinha

**Grade LKG (Danica)** - Ms Varsha Srivastava

**Grade Pre-Nursery & Nursery (Astra Chitra)** - Mr Nishant Raj

**Role:** They are the bridge between the parents & the school. The parents share larger issues & challenges with their respective VIPC members who further bring them up in the bimonthly meetings so that the school takes corrective action in a timely fashion. The school also uses the VIPC members to communicate school policies & actions making it a two-way communication. The school advises that child-specific issues must be taken up by the individual parents either on PTM's, walk-in days, or special meetings between the parent & the teacher.

**Frequency:** The school meets the VIPC members **once every two months**. The minutes of the meetings are circulated amongst the larger parent body for transparency & to keep them informed about the points discussed in the meetings.
